Please review the following important information as well.

Rain

A Rain Plan [link missing] will be instituted in the event that rain does not permit any outdoor events. You will be notified the day before if it needs to be carried out.

Parking

Parking is free but very limited, competitive, and not guaranteed. We strongly recommended that you arrive early, to increase your odds of securing a parking spot. Parking violations will result in the vehicle being towed at the owner's expense.

Vehicle Loading/Unloading Permits

If applicable and if approved, loading/unloading permits will be available for pick up in the Picnic Day Office, 349 Memorial Union. We will contact you separately if you have requested a parking permit.

Please note: ALL gates to the campus will close at 9:00 AM and will reopen after the parade, at which time, no other vehicles are permitted to enter or exit the campus.

Hygiene

If your Exhibit allows participants to touch elements (e.g. craft supplies, instruments, etc.), please thoroughly sanitize between uses, and place hand sanitizers at strategic locations.

Final Reminders

Please keep in mind that Picnic Day strives to be a Zero-Waste event. For additional information, see Zero Waste Events Pledge.

Once again, thank you for your application! It is because of exhibits like yours that allow Picnic Day to be a great success. If you have any questions or concerns hereafter, please feel free to contact me at exhibits@picnicday.ucdavis.edu, and we will address any questions or concerns as soon as possible.
